Minutes**

Don Townsend called meeting to order.

Roll call. In attendance were Rex Harrison, Don Townsend, and Janet York

There was not a quorum in attendance for the meeting so no business could be transacted.

The meeting was a working meeting where informal status of various items on the agenda were reviewed.

The new banners were displayed to attending members. A sample sponsor banner will be made using Bank of Dade material. Four smaller banners for the courthouse are being priced out. The Design Committee has recommended the cost of sponsor banners to sponsor will be the cost of producing the banner plus a yearly fee of \$250. There is debate whether price is too low. The mayor has agreed that the DDA can keep sponsorship fees for the DDA.

Rex Harrison, Don Townsend, and Janet York filled out and signed the conflict of interest statement.

A special called meeting will be called for next week on Tuesday (8/23) or Thursday (8/25).
